

NBCC Prog1025 SSW ASP MVC  
GEX Term Project - 2024

## Project Specifications

3 Sprints, 2 weeks per sprint (exception for the first one)

- Sprint deliverables
  - Mid sprint progress recording
    - Done specifically on the Friday in the middle of the sprint. Due that day
    - Sharing screen with jira board, going over user stories and subtasks.
    - 6 Minute maximum
      - This is a maximum and not a minimum. It's entirely possible to do this in 2 or 3 minutes if you are well organized.
  - End of sprint demo recording showing all functionality from all user stories that sprint
    - Do not want to see a single line of code in the demo.
    - Only user stories for that specific sprint
    - Must be fully demonstrated
    - If it's not shown in the demo recording, it's marked exactly the same as if it was not done.
    - 6 minute maximum
  - End of sprint Commit url
    - Must include all functionality of that sprint to receive all points.
    - If link is not posted by deadline, it's graded the same as if it wasn't done
  -
- Jira Board
  - Sub tasks must be created to represent the work being done and that has been done.
  - Must be kept up to date
  - Must be shown during mid sprint progress recording.
    - Points deducted if not updated correctly or vague subtasks.
- Final Presentation
  - Must submit and use code from final commit done before the deadline
  - Presentation points will be awarded based on demonstrated functionality.
    - Features and user stories not demonstrated are marked the same as if they were not done.
  - Done live, one on one with instructor.
  - Time limit of 15 minutes
